

Off-plan & under construction developments

Isca Calabretta, Isca Dreams & Isca Mannello Isca Marina

Isca Marina is a lovely location in one of the most popular and beautiful locations on the Ionian Sea coast of Calabria, many wealthy Calabrese own homes here. The three developments of Residential Isca Dreams, Isca Calabretta and Isca Mannello are situated close to the mountain village of Isca at Isca Marina on the Ionian Sea coast.

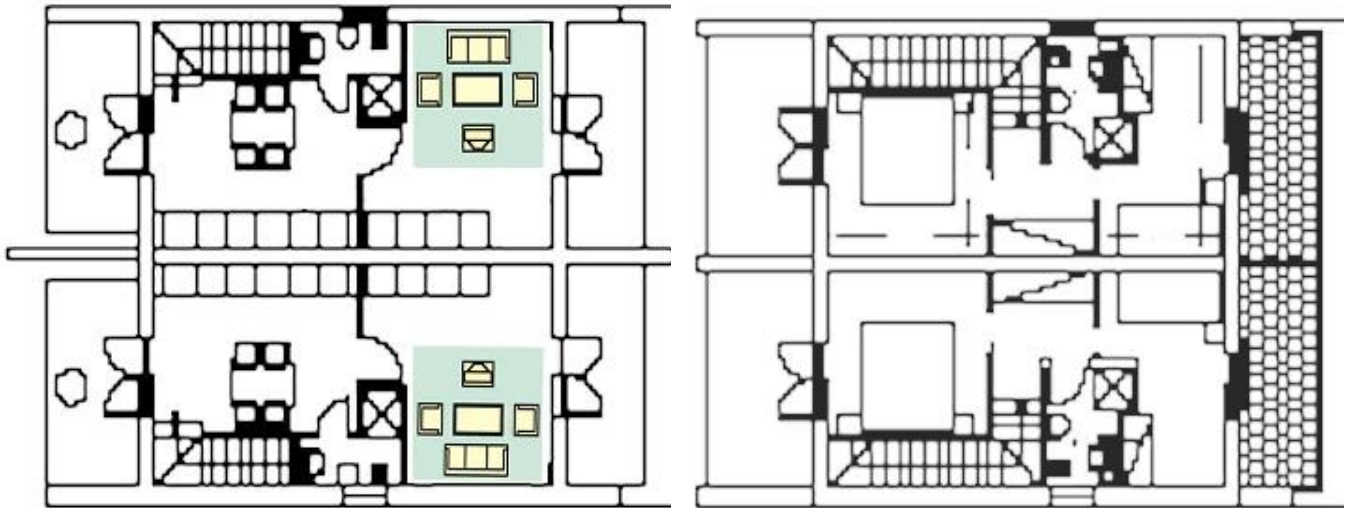

These three separate developments are all close by each other and all are located right alongside the beach and a protected area of sea front nature reserve. In the background are mountain views towards the mountain village of Isca. Close by is the larger well known resort of Soverato, which has a lively nightlife in the summer months and also wonderful views across the Golfo de Squillace. The airport at Lamezia is around 40 minutes drive.

The area around Isca Marina is very residential with many private villas, there is a local indoor swimming pool, and close by there are beach bars and restaurants, there is a new lungomare promenade already under construction. A new marina is also being constructed just a few hundred yards from the developments. The rest of the surrounding area is olive grove and agricultural land. There will be a large communal swimming pool for each development and landscaped gardens.

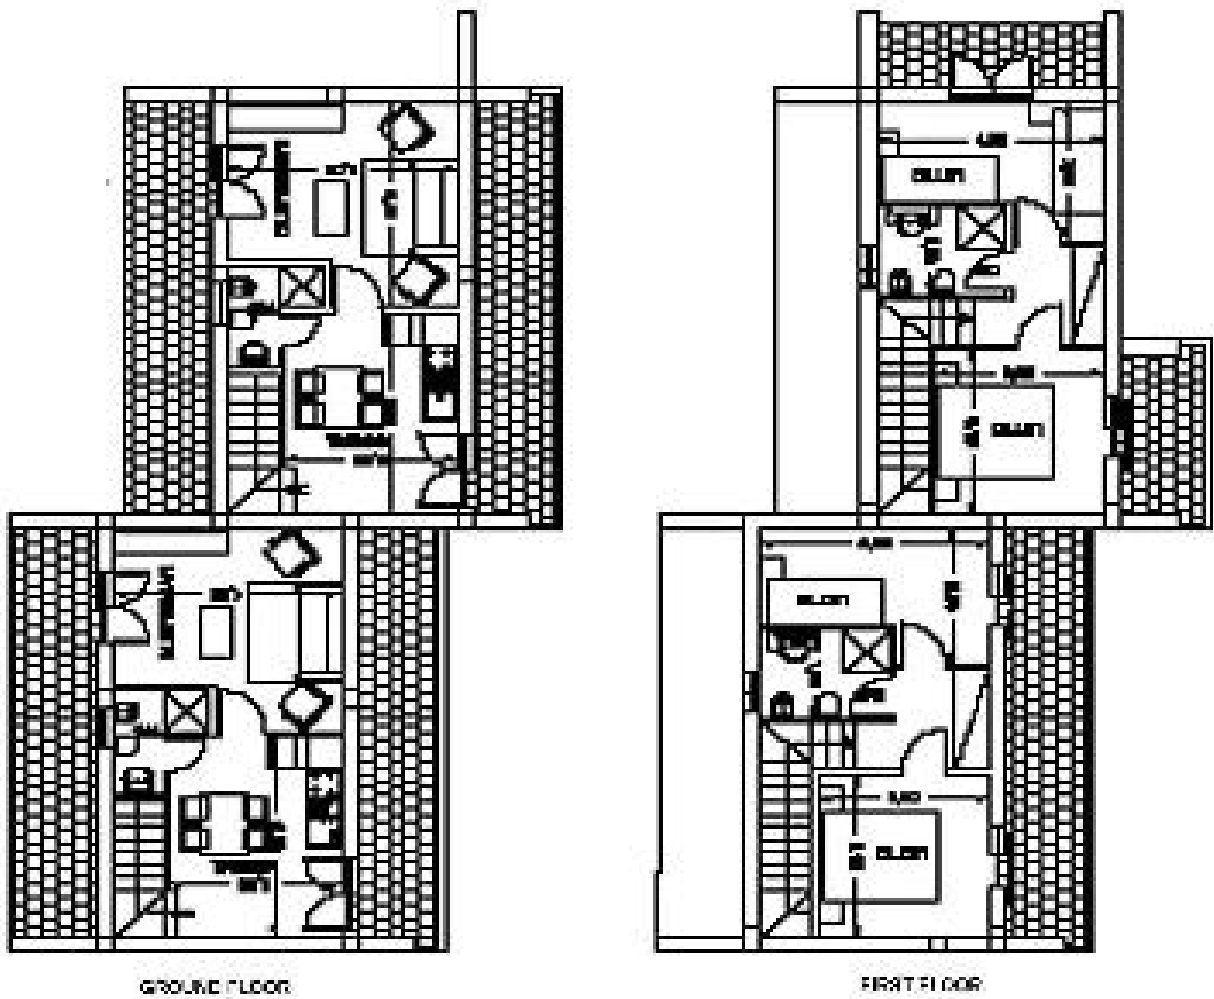

The townhouses will have terraces and balconies, accommodation on 2 floors, small private garden and off street parking.

2 - 3 bedroom/2 bathroom townhouses from Euro 170,625 to Euro 206,750
